

Chief Financial Officer Cal-Waste Recovery Systems

Cal-Waste Recovery Systems is looking to hire a CFO to lead the company from a financial perspective. You will work alongside the executive team members and take ownership of all company fiscal and regulatory matters. To do well in this role you should have experience as a CFO in a company with complex financials, multiple divisions and an extensive balance sheet.

CFO Responsibilities:

- Assist with high-level decisions about policy and strategy.
- Help with recruiting new staff members when necessary.
- Oversee the company's fiscal activity, including budgeting, cash flow projections and forecasting, financial reporting, and auditing.
- Assure legal and regulatory documents are filed and monitor compliance with laws and regulations.
- Identify and address financial risks and opportunities for the company.
- Review financial reports and make recommendations to increase revenues and manage expenses.
- Work well with Chief Marketing Officer, CEO, and COO to develop the strategic plan.

CFO Requirements:

- Bachelor's degree in a relevant discipline, master degree or MBA.
- Experience in a senior management position.
- Strong financial and accounting background, including an understanding of profit and loss, balance sheet and cash flow management and general finance and budgeting.
- Experience with corporate governance.
- A team player.
- Proven negotiation skills.
- Experience with budget management, public accounting, and cash flow.
- Ability to understand new issues quickly and make wise decisions.
- Ability to inspire confidence and create trust.
- Ability to work under pressure, plan personal workload effectively and delegate.

Benefits:

Cal-Waste Recovery Systems offers a great benefits package with health, dental, vision, life insurance, 401(k), vacation, sick leave, holidays and a simplified cafeteria plan.
