

Cal-Waste Recovery Systems Vocational Scholarships Academic Year 2017 - 2018

Eligibility, Schedule, Instructions & Application Form

Cal-Waste Recovery Systems vocational scholarships are intended to provide financial assistance to students who will enroll in an accredited technical or vocational career program, program at a vocational training school or community college.

Eligible students will enroll in a program leading to a certificate or degree, and will plan to go directly into employment in that field upon completion of the program. Examples of applied science and vocational programs include but are not limited to: Heavy Machinery, Diesel Mechanics, Welding, Automotive Technology, Electrical, and other applied science, technology and agricultural areas or business courses supporting these fields. The scholarships are primarily need-based rather than grade-based. The scholarships are not intended for general academic pursuits or students intending to transfer to four-year colleges, or for graduate degrees.

Up to 4 (four) scholarships will be awarded to, one to each school: **Galt, Liberty Ranch, Calaveras, Bret Harte** high schools in the amount of \$500 for full-time students. The award will be paid to the student upon confirmation of enrollment. Scholarship funds are intended to support the vocational educational goals of the recipient and may be used for tuition or other expenses incurred in pursuit of the educational program.

Eligibility

- High school seniors who will graduate in June, 2018 and will enroll in a career/vocational program in Fall of 2018
- Returning students: individuals with high school degrees who have been out of school and are returning to pursue a career/vocational education.

All applicants must enroll in no fewer than 6 units and intend to remain enrolled in 6 units or more for the full 2018-2019 academic year in an accredited career/vocational program.

The Cal-Waste Recovery Systems Vocational Scholarship Program is not open to the children or grandchildren of employees, management or owners of Cal-Waste Recovery Systems or any of its subsidiary organizations or divisions.
